EXT. EARTH 43 - FOREST - DAY

Miles Kros, age 25, wearing light tactical gear leads a squad of five men on a trail through a forest.

MILES

Huh, huh, come on guy your slowing me down!

RANDOM AGENT

Well, (heavy breathing) huh-uh, sir we normally don't run trails!

MILES

Recruits get softer every year.

Miles' communicator on his wrist starts to make a buzzing noise. Miles stops the squad's run immediately.

MILES (CONT'D)

Hold on guys, its General Chains!

Miles clicks his wrist pad.

MILES (CONT'D)

Sir!

GENERAL CHAINS

Miles I sent a ship out to your location for pick up. I need you back here immediately.

MILES

General, what is the situation?

A large ship hovers over Miles and the five other men.

EXT. EARTH 43 - FOREST - DAY - CONTINUOUS

Miles walks over to the ship.

GENERAL CHAINS

I will have a briefing with you soon as you get back to my office.

MILES

Copy that.

Miles boards the ship.

MILES (CONT'D)

You guys are staying here. Huh,
maybe you guys can actually finish
the trail when I get back.

The ship takes off instantly.

INT. STATION 3597 - OFFICE - DAY

Miles stands before General Chain who is sitting at his desk
reading an article on Uma.

MILES

General why have you summoned me
here for?

GENERAL CHAINS

Miles at ease. Are you aware of a
military outfit known as Uma?

MILES

Yes, they are a terrorist group
that is known for attacking
dimensions and are an enemy of the
federation.

GENERAL CHAINS

We recently caught a warning
message from one of our survey
ships. Uma is approaching this
stations' coordinates for an
attack.

MILES

Are you basically saying that we
about to be invaded.

GENERAL CHAINS

Yes and that it why I am assigning
you a new partner.

Kate Benson, age 23, walks into the office with a smirk.

GENERAL CHAINS (CONT'D)

I believe you guys already know
each other.

MILES, KATE

YES!

MILES

General, I don't need a partner.
You know I work alone.

GENERAL CHAINS
I don't care Miles! With Uma
starting to gain more momentum I
need my best agents' back covered.

A loud boom shakes the room and breaks the conversation.
General Chains clicks on his wrist pad.

GENERAL CHAINS (CONT'D)
Status report!

AGENT (O.S.)
Uma forces have bombed the left
entrance!

GENERAL CHAINS
Initiate defensive protocol -281.

General Chains shuts off his wrist pad.

GENERAL CHAINS (CONT'D)
Listen, Miles you need to take Kate
with you to the armory for weapons.
I need my top agents on the
defensive. I need honest and good
team work from the both of you. Am
I making myself clear?

Miles and Kate nod their heads in agreeance and run out of
the office.

INT. HALLWAY - DAY

Red lights flash through the hallways. Miles and Kate run
down a long Hallway.

MILES
Stay behind me just in case it gets
a little dicey.

KATE
I can take care of myself. Plus I
am your Commando now, I give the
intel.

MILES
I am not doing this. You were a
pain in basic and are still a huge
pain in my-

INNER COMM

Uma has entered the facility! I repeat Uma has entered the facility!

MILES

Crap, we need to double time it!

KATE

Where does this hallway lead to/

MILES

The mess hall. Its the fastest route to the armory.

KATE

Ok, but I am only giving you the lead do to our situation.

Miles rolls his eyes.

INT. MESS HALL - DAY

Miles slowly opens the double doors leading to the mess hall.

KATE

What do you see?

MILES

No one but I got a bad feeling. Its very quiet in this room.

Miles and Kate slowly walks through a deserted cafeteria.

MILES (CONT'D)

Kate, stay close to me.

KATE

How close is the armory?

MILES

A mile away soon as we get past the double doors.

BOOM, a bullet flies by Miles' head.

MILES (CONT'D)

Take cover!

Miles kicks a table on its side. The two lay behind it as a shield. Bullets start pinging off the metal table.

KATE
Are those Uma troops!

MILES
I knew there was something odd! My guess they have set up kill zones throughout the station!

KATE
Well, what are we going to do?

MILES
Nothing, we are unarmed and the exit is ten meters away. We'll be shot dead if we move out there.

Suddenly the shooting stops. Miles peeks his head up. General Chains stands over five dead Uma troops with an assault rifle.

MILES (CONT'D)
General, how did you? Nevermind thanks for the support.

GENERAL CHAINS
I can't let my agents die here.

INT. MESS HALL - DAY - CONTINUOUS

A Uma trooper comes from behind General Chains.

MILES
Watch out!

The trooper shoots General Chains in the chest. Chains falls to the ground proceeding to wound the trooper with a final shot.

MILES (CONT'D)
Nooooo!

Miles runs next to General Chains Side.

GENERAL CHAINS
(Coughing), that was a good shot. Listen Miles I need you and Kate to get out of here now. This station is done. Uma brought more than what we could handle.

MILES
No, no, no, we can take you with us.

GENERAL CHAINS

No, Miles I am finished, but you guys need to inform command about this attack.

General Chains coughs out blood.

GENERAL CHAINS (CONT'D)

Its been an honor.

The General dies in Miles' arms. The wounded trooper in the background slowly crawls for his assault rifle. Miles grabs the General's assault rifle.

KATE

Miles what are you doing?

Miles walks up to the trooper and begins beating him with the rifle.

MILES

Die, you piece of filth!

Kate pulls Miles off.

KATE

He is dead, he is dead Miles!

Miles steps back catching his breath.

KATE (CONT'D)

Miles I understand that you're upset, but now is not the time. We need to get out of here!

MILES

We'll go to the docking bay and find a ship.

INT. DOCKING BAY - DAY

Miles and Kate enter the docking bay that is occupied by Uma troops.

MILES

Follow me.

The two hide behind a few shipping containers.

MILES (CONT'D)

So which ship do we need to take. You being the intelligence officer and all.

KATE
Well that brown cruiser is our
safest bet.

Baron Crane marches out.

MILES
That must be there leader.

A trooper rushes towards Baron.

UMA TROOPER
Sir, supreme leader Marque needs to
speak to you alone.

BARON CRANE
Dam, ok keep guard just in case!

Baron walks into another room.

MILES
Now we make our move.

KATE
Wait, what?

Miles begins to shoot at the troopers as Kate boards the ship
and boots the system up.

INT. YEAGAR - DAY

MILES
How are we doing Kate!

KATE
Just one second!

The ship turns and lifts from the ground.

KATE (CONT'D)
Here we go!

Kate pushes the jump button. Miles turns around to see Baron
Crane point a green device at their ship.

MILES
What are you doing?

The ship jumps into another dimension. Miles gets up and
looks out of the ships' window to a frozen city.

MILES (CONT'D)
Uh, Kate where are we?
